

Caroline County, Virginia
Commissioner of the Revenue
Sharon W. Carter
P.O. Box 531
Bowling Green, VA 22427

Welcome to Caroline County VA Home of the Virginia State Fair

All participants in the 2011 state fair are required to register with the Commissioner of the Revenue's Office. You may find an application on line for your convenience at:
<https://www.visitcaroline.com/vendorapplication.pdf> or call 804-633-1086 to have a form mailed to you.

Decals will be issued starting on Monday September 26th after you have arrived on the fair grounds. Decals must be placed on cash registers for those with retail sales. For others they must be placed in a conspicuous place for easy viewing.

Prepared food and beverage tax is a tax on prepared food and/or beverage served by a business. This is a 4% tax, (in addition to the state sales tax of 5%). Food and beverage forms will also be distributed for businesses selling food and beverage items.

Appointments will be made for the reporting of the Caroline County food and beverage tax and the final reporting of gross receipts during our original visit.

The Commissioner's Office realizes the importance of making every minute count in order for you to have a successful event. Our goal is to make the reporting and paying of local taxes not interfere with your daily operation.

We certainly appreciate you coming to Caroline County and look forward to meeting you at the Fair.

Sharon W. Carter
